

Have you changed your day-to-day life to prevent you, or a loved one, from catching the Coronavirus?

If so, we would like to know how and if you think your actions worked.

Have you become ill with Coronavirus-like symptoms since the pandemic started?

If so, we would like to know the treatments you have tried and if you think they helped.

Have you had a confirmed case of Coronavirus?

If so, we would like to know how long you had symptoms for and how you felt/currently feel.

By filling out our survey through the link above (or through the QR code), your answers to these questions will be combined with thousands of others from across the UK. Together we can work towards a better understanding of Coronavirus and how to beat it!

Everyone over the age of 16 is eligible to participate in the study and to thank you for your participation between now and March 2021 we are awarding 62 vouchers (ranging from £5 to £500) as prizes to be won.
